Stats and Outcomes

- [Stats in the Time of COVID-19 webinar](#) — *Angela Fox, Public Library Services Consultant @ Indiana State Library*
 - Worried about low statistics because of the pandemic? Check out this webinar, where Angela Fox explain what you can and can't count as a "program"—and why you shouldn't worry about low program numbers.
 - [FAQ sheet](#) about what counts, how to count it, etc.
- California Library Association recorded [webinar about outcomes-based Summer Reading Programs](#)
 - Recommended viewing for those who want to offer more impactful, intentional programming, with a focus on outcomes instead of stats.

Other Resources
